

ASSIST does not take the place of a counselor on your campus. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a California university.

Cal-GETC Course List (All Cal-GETC Areas)

Cuesta College
Academic Year 2025-2026

IMPORTANT

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that California community college students may complete to satisfy the lower-division general education requirements before transferring to the California State University (CSU) or to the University of California (UC).

The Cal-GETC pattern is certified by the CCC, accepted by all CSU campuses, and accepted by most UC campuses and programs. Students should consult a CCC counselor for more information about Cal-GETC, and the majors for which Cal-GETC is appropriate.

The following community college courses will satisfy Cal-GETC requirement areas as indicated.

Limitations

- Transfer credit may be limited by either CSU policy, or UC policy, or both. Please review the Cal-GETC Certification Course List as well as the UC Transferable Course List (the UC TCA) in addition to consulting with a counselor.

More information regarding transferring to CSU or UC may be located through the following links:

CSU United States History, Constitution and American Ideals (All CSU AI Areas)

Cuesta College

Academic Year 2025-2026

US-2: United States Constitution and government

US-3: California state and local government

Conditions

- This requirement may be met before or after transfer to the CSU.
- Any community college may certify completion by students who take courses approved in the three areas, as published here.
- Students who want to fulfill this requirement with courses taken before Fall 2004 should consult their college catalogs.
- If a course is approved for more than one US Area below, a student may use the course to satisfy all areas listed.
- US-1 may be completed with a score of 3 or higher on Advanced Placement US History.
- US-2 (but not US-3) may be completed with a score of 3 or higher on Advanced Placement US Government and Politics.
- At the discretion of the CSU campus granting the degree, courses meeting this requirement may also be counted toward certification in general education (CSU GE-Breadth or IGETC).
