Cal-GETC Course List (All Cal-GETC Areas)

Merced College

Academic Year 2025-2026

IMPORTANT

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that California community college students may complete to satisfy the lower-division general education requirements before transferring to the California State University (CSU) or to the University of California (UC).

The Cal-GETC pattern is certified by the CCC, accepted by all CSU campuses, and accepted by most UC campuses and programs. Students should consult a CCC counselor for more information about Cal-GETC, and the majors for which Cal-GETC is appropriate.

The following community college courses will satisfy Cal-GETC requirement areas as indicated.

Limitations

- Transfer credit may be limited by either CSU policy, or UC policy, or both. Please review the Cal-GETC Certification Course List as well as the UC Transferable Course List (the UC TCA) in addition to consulting with a counselor.

More information regarding transferring to CSU or UC may be located through the following links:

CSU United States History, Constitution and American Ideals (All CSU AI Areas)

Merced College

Academic Year 2025-2026

IMPORTANT

The California community college courses listed below will satisfy the California State University (CSU) graduation requirements in American Institutions.

Students satisfy this CSU graduation requirement through coursework in three areas:

US-1: Historical development of American institutions and ideals

US-2: United States Constitution and government

US-3: California state and local government

Conditions

- This requirement may be met before or after transfer to the CSU.
- Any community college may certify completion by students who take courses approved in the three areas, as published here.
- Students who want to fulfill this requirement with courses taken before Fall 2004 should consult their college catalogs.
- If a course is approved for more than one US Area below, a student may use the course to satisfy all areas listed.
- US-1 may be completed with a score of 3 or higher on Advanced Placement US History.
- US-2 (but not US-3) may be completed with a score of 3 or higher on Advanced Placement US Government and Politics.
