Cal-GETC Course List (All Cal-GETC Areas)

Solano Community College

Academic Year 2025-2026

IMPORTANT

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that California community college students may complete to satisfy the lower-division general education requirements before transferring to the California State University (CSU) or to the University of California (UC).

The Cal-GETC pattern is certified by the CCC, accepted by all CSU campuses, and accepted by most UC campuses and programs. Students should consult a CCC counselor for more information about Cal-GETC, and the majors for which Cal-GETC is appropriate.

The following community college courses will satisfy Cal-GETC requirement areas as indicated.

Limitations

- Transfer credit may be limited by either CSU policy, or UC policy, or both. Please review the Cal-GETC Certification Course List as well as the UC Transferable Course List (the UC TCA) in addition to consulting with a counselor.

More information regarding transferring to CSU or UC may be located through the following links:
